Co-President's Message Oct - Dec 2025;

We started this Fall's social events with Sutter's Ridge Farm's corn maze and dinner, selling Bucky Books and Texas Roadhouse gift cards. We also have Culver's Share Night, the Lussier's Holiday Party and an ornament exchange. We also hosted one of the grant recipients, The Madison Reading Project. These events keep us engaged with our community and each other.

Trisha Lucas, Co-President 25-26

The Christmas party at the Lussier Center for a huge success. We gave approximately 160 children gifts (and our extra gifts that were not given out at the party filled a huge need as two other community centers in the Madison area lost their sponsors for their gift giving programs for their client families and our extra gifts went to those centers), Texas Road House, Chick-fil-A and Stella's bakery provided ample and excellent food for the event (and the food that wasn't served went home with attending families or was put into the Lussier Center's food pantry. All of the Optimist did a fantastic job as did the Lussier Center staff and volunteers. And a special recognition to the Spartan Youth group (Joi Club) volunteers!

Diane, Mary and I are working hard to come up with a new model for Optimist membership that focuses on active community service via the younger members of our community through our club. And I met recently with Natasha Miller-Sykes, from Northwestern Mutual who I met when she volunteered for the Christmas party and who is interested in getting the young members of her company directly involved in community service and who is willing to help us develop this new model. More on this to come soon.

Lussier Christmas Party 2025

Well this year's Lussier Christmas Party was one of most successful ever and based upon my total experience coordinating it, the need was greater than perhaps ever. FRANK RATH

1. We had a pretty big turn out and there were a plethora of happy, smiling faces at the party – both the attendees and the volunteers. We are going to schedule a recap meeting with the team from Lussier and I will get a better idea of what the total number of participants were.
2. The food was great and plentiful (a special shout out to Patti). Left overs served a good purpose as what was already out for serving went to attendees and a few Optimist members and what had not yet been placed out on the buffet was packaged up and placed in the Center's food pantry for community members to pick up the following day.
3. We had approximately 40 extra gifts. The Center's interim director asked if we needed to return them or if he could utilize them. Two other smaller community centers in the Madison area have annual Christmas gift programs for their constituents and those centers had lost their donors' support for those programs. He asked if it would be OK to give the extra presents to those centers and of course we were very happy to oblige.
4. The Memorial High Students/Spartan Youth Optimist club volunteers were once again great! What an inspiration – seeing our often maligned youth doing good in their community.
5. Although we were not successful in securing a "grant" to support the entire party we did receive two monetary contributions – one from the One Community Bank in Middleton and one from the Walmart in Jefferson, WI (thanks to my daughter Laura's efforts). The Foundation donated \$1,200 and STOC members stepped up and made up the difference! Thanks much to all of them. The total cost for the party was \$2,400 rounded up.
6. Planning for next year's party will begin soon.

GENERATING NEW OPTIMISTS

The subcommittee to explore new concepts and approaches to generate new participants in serving youth through Optimism - met and have put some beginning plans in place. To support the process is the status of the current Sauk Trails Optimist club -STOC website at: www.sauktrailsmadisonoptimist.org, and the financial and maintenance cost of time to keep it current with information. More Updates from this committee and an on-line Committee of the historical and current support will be meeting jointly in the future.

With the STOC Website 'possibly' being replaced in the future with AI, Google-Docs, and other environments there is a group of optimists who will be making some future proposals and implementing them in the current year. This is to help increase the membership and support of the club. The implementation would be BEFORE Oct. 1, 2026 in conjunction with making a decision on the STOC Website.

The Optimist Creed

Promise yourself...

To be so strong that nothing can disturb your peace of mind.
To talk health, happiness and prosperity to every person you meet.
To make all your friends feel that there is something in them.
To look at the sunny side of everything and make your optimism come true.
To think only of the best, to work only for the best and expect only the best.
To be just as enthusiastic about the success of others as you are about your own.
To forget the mistakes of the past and press on to the greater achievements of the future.
To wear a cheerful countenance at all times and give every living creature you meet a smile.
To give so much time to the improvement of yourself that you have no time to criticize others.
To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
